10th Anniversary

Belgium Center

www.belgiumcenter.com

The storefront features a large glass window display. Inside, three mannequins are dressed in contemporary clothing. A central mannequin is seated on a stool. To the left, another mannequin stands wearing a scarf and jacket. A third mannequin stands to the right in a light-colored top and shorts. A large, stylized '10th Anniversary' logo is visible in the background of the display. The ceiling of the storefront is illuminated with a blue, cloudy sky pattern. A yellow light line is projected on the sidewalk.

Belgium Center

The background shows a street scene with several people walking. A building with the sign 'Belgium Center' is visible. The sky is dark blue with white clouds, matching the storefront's ceiling lighting.
